Re: WC Docket No. 10-90 Public Notice DA 17-561 Released June 8, 2017

Dear Ms. Dortch:

The Wireline Competition Bureau released Public Notice DA 17-561 on June 8, 2017 which included an updated list of census blocks eligible for Connect America Phase II Support. The Bureau invited commenters to identify census blocks that are included on the Phase II eligibility list that are within a rate-of-return carrier study area boundary.

Attached, please find a listing of census blocks within Wellman Cooperative Telephone Association's study area boundary (SA 351329) that are included in the Phase II eligibility list.

Respectfully yours,
